TransAlta (SC) LP	SARNIA CGS	Natural Gas	499.0	186.44	239.04	May 1, 2026	West
Greater Toronto Airports Authority	GTAA	Natural Gas	127.64	71.66	77.69	May 1, 2024	Toronto
Total			757.04	308.67	379.96		
Aggregate Total			757	309	380		

Note: While the MTC I Contract is paying suppliers for their unforced capacity (UCAP) or portion of their UCAP if it has been committed to host facilities, this UCAP value takes into account a facility's forced outage rate; the nameplate capacity of each facility represents their theoretical maximum output that can be provided at any one time.
