Subject: Electricity Planning in Burlington to Nanticoke Region – Webinar on October 24
Date: October 10, 2024 9:59:41 AM

Regional electricity planning has advanced for the Burlington to Nanticoke region to ensure a reliable supply of electricity and support local growth and economic development. This region generally encompasses the area from Haldimand County and Norfolk County going north towards the city of Burlington.

On **Thursday, October 24th at 10:00 a.m.**, the IESO will host a webinar to provide an update on the electricity planning in the Burlington to Nanticoke region. During the webinar the IESO will share the detailed analysis of screened-in options and input will be sought on the draft recommendations.

[Register to participate in the October 24th webinar](#). Materials will be shared in advance and written comments will be welcome until **Thursday, November 7**. Upon registration, you will receive an email confirmation containing a calendar invitation with meeting details. We encourage you to save this invitation to your calendar to ensure you have the access details for the event.

Visit our website to learn more about the [Burlington to Nanticoke region](#) or for more information about the [Regional Electricity Planning Process](#). All interested parties are invited and encouraged to participate including, but not limited to, local municipalities, Indigenous and Métis communities, businesses, stakeholders and members of the public.
