# The future of the Southwest Regional Electricity Network

Terry Young, Vice President  
Policy, Engagement and Innovation

March 24, 2020

---

# Building your network

## Tell us:

- What issues are most pressing for you, your community or region? Do you have a solution?
- What do you need/want to know more about?
- What do you want from your network? Networking opportunities? Help with a specific issue?

---

# Thank you
