Subject: IESO Webinar | Peterborough to Kingston Regional Electricity Planning

Regional electricity planning for the [Peterborough to Kingston electrical region](#) is kicking off. Regional planning looks at the unique needs of local areas and considers options and innovative resources to meet the needs. Your input will inform this important work. This region generally encompasses the Cities of Belleville, Kingston, Peterborough, Quinte West, Prince Edward County, the Municipality of Clarington in the Region of Durham, and the Counties of Hastings, Lennox and Addington, Northumberland, and Peterborough.

On September 11, 2025, at 1 p.m. the IESO will host a webinar to provide an overview of the regional electricity planning process and seek your feedback on the draft electricity demand forecast scenarios and the proposed engagement plan. **[Register to participate in the September 11, 2025 webinar](#)**. Materials will be available in advance and written comments are welcomed until **October 2, 2025** to engagement@ieso.ca. Upon registration, you will receive an email confirmation containing a calendar invitation with meeting details. **We encourage you to save this invitation to your calendar to ensure you have the access to the event details.**

Visit our website to learn more about the [Peterborough to Kingston electrical region](#) and the [regional electricity planning process](#). All interested parties are invited and encouraged to participate including, but not limited to, local municipalities, Indigenous communities, businesses, stakeholders, and members of the general public.
