Subject: IESO Webinar | Sudbury/Algoma Regional Planning
Date: June 24, 2026 2:35:55 PM

Regional electricity planning is underway for the [Sudbury/Algoma Region](#) to ensure a reliable supply of electricity, and to support local growth and economic development. Regional planning looks at the unique needs of each region and considers wire and non-wire options and innovative resources to meet the needs.

On **Thursday, July 16 at 1:00 p.m.**, the IESO will host a webinar to provide an overview of the electricity landscape and the regional planning process, as well as seek your feedback on the draft electricity demand forecasts and our proposed engagement plan. All interested parties are invited and encouraged to participate including, but not limited to, local municipalities, Indigenous communities, businesses, stakeholders and members of the public.

All participants are asked to [register in advance](#). Webinar materials will be shared for review in advance of the webinar and written comments will be invited until by July 31.

The Sudbury/Algoma electrical region generally encompasses the Districts of Algoma, Manitoulin, Nipissing and Sudbury.

For more information, please visit the [Sudbury Algoma engagement webpage](#). Please feel free to reach out with questions to engagement@ieso.ca.

Sincerely,

Sari Gerwitz
