

Synopsis of MRP Current Engagement Activity

| Channel | Purpose | Frequency |
|-------------------------------|---|---------------------|
| IESO Engagement Days | Discuss items that impact the broad stakeholder community; for example, introduction of Market Rules / Market Manuals | Monthly / As Needed |
| Technical Advisory Group | Receive input and calibrate testing and training plans prior to rolling out to the broad stakeholder community in Q4 2021 | Bi-Monthly |
| Reference Level Consultations | One-on-one consultations to determine reference level and reference quantity values for every dispatchable market participant | As Scheduled |
| Bilateral Discussions | Provide additional context for changes that will impact a particular market participant or market participant type | As Needed |
