Dear Mr. Lyle:

Re: IESO Market Rule Amendments Numbered: MR-00482-R00 - 2024 Capacity Auction Market Rule Corrections

Market rule amendment MR-00482-R00 was adopted by the Independent Electricity System Operator's (IESO) Board of Directors on August 29, 2024.

As you are aware, the publication of the market rule amendment establishes the timeline for certain activities under section 33 of the *Electricity Act, 1998*. To provide transparency and certainty for the IESO, market participants and other interested stakeholders, this letter is to confirm that the Ontario Energy Board :

- has not revoked the Amendment under section 33(3) of the Act;
- has not commenced a proceeding on its own motion to undertake a review of the Amendment under sections 33(4) and 33(5) of the Act; and
- has not received any application for the OEB to undertake a review of the Amendment under section 33(4) of the Act.

The OEB asks that the IESO post this letter at the appropriate place on its Proposed Market Rule Amendments webpage.

Yours truly,

Nancy Marconi
Registrar
