PART 3 – COMMENTS ON RULE AMENDMENT

Provide your comments.

<p>As a co-generation facility we require the flexibility to meet the demands of our steam hosts, hence require the capacity to be self-scheduling. As such, we see the need for an ongoing TSG classification or an amendment that will allow co-generation facilities such as ours to retain self-scheduling ability to meet steam host needs. We are supportive to the intent of the amendment submission.</p>
